

Pastor Stewardship Meeting

A Pastor Stewardship Meeting is coming to your association soon. At this meeting you be given an depth view of the new materials the Stewardship Team has to offer. This year our Annual Stewardship Education Emphasis is called *Traction - Living in Sync With God*. This leader preparation guide will help you make significant traction in your church during a four-week emphasis. The Traction: Living in Sync with God emphasis will help church members understand that: God Offers Spiritual Traction - When We Remember Him, When We Respond in Faithfulness, When We Return to Blessedness and When We Rejoice in Him.

The new materials are *only* available at your association stewardship meeting.

Contact your local Association for reservations.
