

REPORT TO THE ASSOCIATIONS
CHURCH MUSIC DEPARTMENT
TERRY W. WILLIAMS, *DIRECTOR*
FLORIDA BAPTIST CONVENTION
2010-2011

The Church Music Department exists to glorify God and make Him known by partnering with leaders, churches, and associations in developing a lifestyle of Biblical worship through music and other creative arts. Real worship is incomplete without the witness of who God is. Our goal is to inspire Godly living and Godly going...in other words – WORSHIPING SENT!

Our main objectives:

1. **Worship Awareness** – Raise awareness of the Biblical priority of worship
2. **Worship Evangelism** – Glorify God in our worship, and make His glory known to all people
3. **Worship Unity** – Foster unity in the body of Christ through music and worship
4. **Worship Musicianship** – Equipping our leaders to become worshipping musicians

Overall music enrollment in churches in 2010 was 96,601, down 9 percent from 2009. We sponsored 41 events in 27 associations (up from 32 events in 23 associations in 2009). Fourteen state events provided training, networking, fellowship, and worship opportunities for everyone in the state.

Associational and state events included the Florida Men and Women's Worship Choir & Orchestra retreats and concerts, 13 Worship Project Trainings, 8 Worship Leader Roundtables, and 3 Key Leader meetings.

Total attendance at all events was 2542.
