“That the generation to come might know, even the children yet to be born, that they may arise and tell them to their children, that they should put their confidence in God and not forget the works of God, but keep His commandments. Ps. 78:6-7. Baptist Collegiate Ministry exists to reach and develop this generation for Christ and equip them to lead the next generation to come! This past year 253 students were involved in missions and saw 2187 professions of faith! Students served in our own state on VBS teams, at Community Centers and with prison ministries! Our students served in other states and around the world, from South Asia to Africa!

We serve on approximately 22 campuses utilizing volunteers, summer missionaries and US-C/2 missionaries! We have 9 full-time persons. The students from our Baptist Collegiate Ministries in addition to serving in mission’s opportunities ministered in 151 churches! It is our constant commitment to cooperate with the local church and help aid the churches with their outreach to college and university students as well. Many of our Community Colleges have become four-year institutions and we are working to have a ministry on each one. That can only be done with the support of the association and the many volunteers with a heart for God and students! Thanks to all you do to help this happen!

We continue to be one of the largest states with international students enrolled in our colleges and universities. We have extensive ministry in this area and are constantly trying to do more. We realize that every international student reached for Christ not only represents a new brother or sister but also a missionary going home to his/her indigenous people! Please pray with us as we work to make this ministry effective. Our thanks to the Associations, Churches and specifically the Women’s Missions & Ministries groups who serve meals and tutor in English as a Second Language classes on our campuses.

Let me encourage you to Prayer Walk you local college or university campus! School begins this month and the challenges are great! If we may assist you, please call us at 800-226-8584, ext. 3092 or go to www.FloridaBCM.com and look up one of the local campuses!
