DAVID BURTON, DIRECTOR

FLORIDA BAPTIST CONVENTION

2010-2011

Matthew 22:34-40; 28:18-20

The Lord continues to bless Florida with being a leader in the nation for high numbers and consistency in baptisms. Baptisms equal “souls saved”...souls turned away from the darkness and pit of HELL. Praise the Lord for you personally continuing to be a strong influence in KINGDOM EVANGELISM MINISTRY.

By your reading this article it shows your personal interest in the ministry of evangelism across the state of Florida. Thank you and pray for our convention team as we strive to be obedient to sharing the GOOD NEWS of JESUS with others and training thousands of Florida Baptist to do likewise.

This year and years to come “LOVE YOUR NEIGHBOR...SHARE CHRIST” is the overarching theme and strategy being presented to Florida Baptist. Hundreds of pastors have already heard of this holistic approach to CHURCH and PERSONAL EVANGELISM. Now you have... and we pray you get involved in seeing that it becomes a part of your church DNA. 33,847 precious lives were changed forever and baptized this past year (Haiti had 9,244) I know many others were born into the Kingdom through your faithful witness. It is our pray that you and your church ministry will be able to win and help many others follow the Lord in obedience of baptism this coming year.

Our state evangelism division staff continues doing a masterful job at traveling across this great state sharing the truths of the Gospel.

**Jeff Hessinger** has the personal and student evangelism in focus. Teaching hundreds of pastors and laypeople this year in personal soulwinning was his heart. Jeff preached and taught in more locations this year allowing him to plant the seed of INTENTIONALLITY everywhere he served.

**Rick Shepherd** taught a record number of PRAYER MINISTRY seminars and training sessions this year. Churches are understanding and desiring the meaning of true and heart felt passion for the lost and how to INTENTIONALLY pray for them to be born again.....that is our call isn't it?

**Will Mcraney** was one of the key creators of LOVE YOUR NEIGHBOR...SHARE CHRIST. He has involved every division of work in the convention to create the best strategy in the country. More people may be won to JESUS through this effort than any we have ever attempted.

Keep praying, believing, and giving your time to SHARING CHRIST with others. Remember: “It is only GOOD NEWS if they HEAR IT IN TIME!”
