

“By lifting our voices in intercession for the people of Haiti, we can petition God’s intervention in this desperate time of trial and tribulation. Through prayer we can have a life-changing impact upon the helpless, homeless and hopeless people of Haiti. We must pray for their physical and spiritual well-being in the days to come.”  
 —John Sullivan, executive director-treasurer, Florida Baptist Convention

**Pray** for the Haitian people as they struggle with the *fear, grief and loss* of relatives, friends, homes and jobs.

**Pray** for daily needs of *food, water and shelter*. Pray that the Great Physician will *heal* their unimaginable suffering.

**Pray** for *peace* to overcome the fear that keeps them from returning inside their homes.

**Pray** that Haiti will become a *spiritual harvest field* where the Gospel will be received so lives will be changed. Not just for one day, but forever.

**Pray** that God will help Florida Southern Baptist *disaster responders* overcome obstacles as they meet urgent needs. Pray for the *challenge of access* into Port-au-Prince by air and sea, transportation within the country and facilities to house relief workers.

“And this is the confidence which we have before Him, that, if we ask anything according to His will, He hears us.” JOHN 5:14
